What Mr Nyalarao has been granted and what he has agreed to is that he should get the pension he would have been entitled if he had remained in service till the 1st Sept^r 24. Under this he would get (subject to verification of the Comptr) a pension of B 425. His present request is to count his ~~service~~ emoluments as a 5 days Cmsr, and class, pr pension. This would raise his pension to B 480. This does not seem to be admissible under the rules, or justified under the terms agreed & accepted by Mr Nyalarao.

An arbitrary pension of B 425 (subject as aforesaid to verification by Comptr) might be passed in this case

Financial Secretary to Govt.

Sir.

1. I have the honor to forward herewith my application for pension and request that orders of Government may be obtained thereon.

2. Strictly according to the provisions of the Mysore Service Regulations, if in calculating my average emoluments, the pay I was drawing in the 2nd grade of Deputy Commissioners, only during the period I was provisionally permanent in that grade, be taken into account, I shall be entitled to draw a pension of about Rs 425. The allowance that I am now getting is Rs 200 from the Trust Board and Rs 250 from the Municipality in all Rs 450. So, from the 1st April 1924,

my emoluments including my pension would be only Rs 875 per mensem - If instead of retiring from service and taking up my present place, I had continued as Deputy Commissioner till the 18th Sep 1924, up to which I had been given an extension, I would have drawn Rs 1000 per mensem. Thus from the 1st April 1924, I have been losing Rs 125 a month -

In consideration of the above loss and also of the fact that during the long period of my service, of which nearly five years were on special duty, I have not availed myself of any kind of leave except privilege leave for about a couple of months in all, I request that the pay which I was drawing continuously from 1st July 1922 to 14th Dec 1923 as acting Deputy Commissioner, 2nd grade, be taken into account in calculating my average emoluments. Instances are not wanting where such a concession has been granted and the retiring officer has been treated as provisionally permanent and his senior who was younger and not retiring in the near future as acting. But if this procedure is found inconvenient, Government may be pleased to grant me an arbitrarily fixed sum as pension

and thus compensate me for the loss I have sustained.

I have the honor to remain
Sir
your most obedient and
humble servant.
